Mr. Michael J. Noone
(July 7, 1975 - July 16, 2019)

Members of the Melrose Community (Educators, Students, Elected Officials, Neighbors, and Noone Family Members) Gathered at Noon on Saturday, October 12, 2019 for the Noone Time Kickball Tournament in Memory of Mr. Michael J. Noone.

THANK YOU AND BEST OF LUCK!

Ms. Susan McBride is retiring from her teaching career after 24 years. During her time as a teacher, she has taught a variety of classes including Accounting, Personal Finance, and Business Management. She has assisted countless students with improving their typing skills, too. Ms. McBride also has taught an adult ed program in Chelsea and Swampscott as well as teaching at Endicott College. She has mixed emotions as she prepares to say goodbye to her MHS family and career. Ms. McBride has dedicated much time and energy engaging her students over the years, but now she looks forward to traveling with her husband and helping out as much as possible with her grandchildren. Ms. McBride leaves Melrose High School knowing that she influenced many students to choose business career paths.

MHS wants to thank Ms. McBride for her contributions to her students and colleagues.

MHS will miss her!

Ms. Janine Hassett is retiring from her special education position at Melrose High School after 20 dedicated years. Ms. Hassett mostly has taught in science classrooms throughout her career at MHS. One of her favorite memories at MHS includes having students freshman year and then having them again junior or senior year. Ms. Hassett finds it extremely rewarding seeing how much her students have grown and matured over the years. She has worked tirelessly over the years to make sure that all students, especially special education students, can access the demanding curriculum. Currently, Ms. Hassett's retirement plans are undecided. Her parting words of wisdom and advice for students are "not to procrastinate when something needs to get done. It only adds more stress."

MHS wants to thank Ms. Hassett for her dedication to her students and colleagues.

MHS will miss seeing her in the halls!

STUDENT GOVERNMENT 2020

Dear Mr. Keoseyan and Mr. Malley,

On behalf of our entire student government, we want to thank you both from the very bottom of our hearts. Every successful fundraiser, T-shirt, dance, and spirit week would not have been possible without your guidance and unwavering support. We thank you for the four years of Wednesday morning meetings, the invaluable advice that you imparted, and the endless encouragement that you gave along the way. When we look back on our spirit week victory and our amazing senior week, we especially will remember hallway decorating on Sunday, our adventures to prom venues, and the great memories that we have from planning events for our class.

We have come a long way from the Animal Planet themed spirit week freshman year to senior week, and, while there were certainly a few bumps in the road, the past four years have been pretty wonderful. Your generosity and commitment not only have enabled us to bring our class together, but also were an integral part of making sure that the Class of 2020 had a positive high school experience. We are so incredibly lucky to have had such kind, dedicated advisors, and we are grateful beyond measure for the lessons that you taught us and the memories that you helped us make as a student government and as a class. Thank you for everything!

With Gratitude,

Alana Fahey (President), Olivia Boomhower (Vice President), and Victoria Ackerman (Secretary)

Dear Seniors,

Thank you to each and every one of you for making the past four years so memorable! We've been so lucky to have had the opportunity of making the yearbook for all of you and looking back on everyone's memories. We hope this yearbook will help you look back on your high school experience and remember all of the good times that you've had with some great people. We will forever hold these memories close to our hearts. We have grown together and learned so much with the help from all of our amazing teachers, principals, families, and friends. We have had so much fun being able to experience the sports teams, school plays, dances, class trips, and so much more with all of you. From freshman year froshmore to senior year prom we have seen everyone become independent people with bright futures. No matter what part of your journey unfolds next, we are rooting for you always. We wish the best of luck to each of the 271 unique individuals that make up the Class of 2020. "This is the start of something new."
